

Ski resort Harrachov - Čertova hora

Resort description

The ski resort Harrachov is situated in the western part of the Krkonoše mountains, in a town of the same name. Harrachov is a renowned tourist center which offers great skiing conditions during the whole winter season.

The ski resort Harrachov - Čertova hora offers high-quality skiing slopes of all levels of difficulty. Local slopes are ideal for families with children, recreational sportsmen and advanced skiers and snowboarders. You will find here one steep black-marked slope, two red and two blue-marked slopes, a training hill for children and a popular snowpark. Transport of skiers is provided by three chair lifts and one tow lift. All slopes are covered with artificial snow with a possibility of evening skiing entertainment.

The resort well-liked service include a ski school for children, a ski school, rental shops and a professional ski service shop. All cross-country skiing lovers will appreciate top-rated tracks. In the resort and the town of Harrachov there are numerous snack bars, restaurants, shops, hotels, guest houses, apartments and cozy mountain cottages. A regular ski bus line runs in the ski resort.

Harrachov is a perfect place for active holidays in any season of the year. In the summer season you can use local bike tracks, go hiking, admire our ski jumps or beautiful landscape of the Krkonoše mountains. The sports resort offers many other free time activities all year round.
