

Ski resort Kopřivná

Resort description

Ski resort Kopřivná is located at the foot of the Jeseníky mountain range, near a village called Malá Morávka. The sports facility is in a cultural and natural preserved zone with the cleanest air in the Czech republic. It is an ideal place for family holidays where you can fully enjoy sports activities and well-being in a picturesque countryside of the cleanest Czech mountains.

The ski resort Kopřivná offers four ski slopes with the total length of three kilometres. All ski slopes are well arranged and wide enough for all skiers. High quality ski conditions are guaranteed by a system of artificial snowing. Two ski slopes are also equipped by lighting for evening skiing. Transport of skiers is provided by a modern six-seat ski lift and a ski tow. The resort also owns the biggest BIG AIR BAG in the Czech republic. A snowpark is at your disposal, as well.

An obvious part of the ski resort is a rental shop, a professional service shop, babysitting service, ski school or free parking. Right at the slopes, you can get some refreshment in numerous restaurants, and find accommodation in guest houses and hotels. In the resort you can also visit an adrenalin snowtubing track. Regular contests and musical concerts take place right at the ski slopes. Snowcat service rides when visitors can try driving the machine are very popular.
