

Golf Resort Kaskáda

Resort description

Golf resort Kaskáda is situated in the county of South Moravia, between the towns Kuřim and Jinačovice. This luxurious golf resort is about 20 minutes from the center of Brno. It was designed by a British architect Jonathan Gaunt. The resort was opened in 2006 and according to an American golf magazine Golf Digest, it is the second best golf resort in the Czech republic.

Golf resort Kaskáda offers 3 individual 9-hole courses with total length of 9655 m. Combination of these makes a 18-hole 72 par course. The courses are built on opposite hillsides that run down the valley of Kuřimská mountain. All holes are well-arranged and all natural obstacles are visible easily. In the resort there is also one public 6-hole course, a driving range with covered and opened tees, 3 putting and chipping greens, an outdoor fitness center and other training spots. Training programmes for beginners and the youngest golfers are provided by Kaskáda Golf Academy and Junior Golf Academy with a wide range of courses and lessons. To improve and analyse your game visitors can use a video system V1 and Boditrak. In the indoor part of the resort there are also two Full Swing Golf simulators. As a part of the clubhouse base, visitor will find here a 4star hotel Kaskáda, a restaurant with a terrace with a great view of the entire golf course, a modern congress center with a multipurpose hall, bowling, a clubhouse, VIP lounge and wellness center.
