

Golf Resort Karlovy Vary

Resort description

Golf Resort Karlovy Vary has a very long tradition that started at the beginning of the last century. The golf course is situated 5 km from Karlovy Vary, near Olšová Vrata village. This championship 18-hole 72 par course is one of the most famous and sought golf spots in the Czech republic.

Golf Club Karlovy Vary was established in 1904 and the original 9-hole golf course was located in the southern part of the spa town. The new course was designed by a famous Parisian architect C. Noskowski and opened in 1933. The sports/golf resort is situated only a few kilometres from the spa center of Karlovy Vary, on the main road to Prague. It spreads in the calm landscape full of meadows, at the edge of Slavkovský Forest nature reserve. The golf course and each of the holes are surrounded by fully-grown trees, bushes and flowers. The total length is 6195 metres. Each hole offers a yellow and a white teeing ground for men and a blue and a red one for women. The game is complicated by sandy bunkers and natural water obstacles, but still, players will find fairways and greens wide and big enough. As for the training, a driving range and a modern Indoor Golf Resort is at the visitors' full disposal. It is equipped by two Full Swing simulators, a big putting green, a driving with teeing into a net and a professional swing analyzer. Golf Club Karlovy Vary offers membership with many benefits. It actively works with the youth and offers many training courses for beginners and advanced players as well. Inside the new clubhouse that won several architectonic awards, there is a stylish restaurant, bar, a relaxation center, a shop with golf gear, a „HOLE IN ONE“ apartment for accommodation, a cosmetic salon and a complex sanitary facility. Visitors can use service of the local rental shop with golf clubs, golf sets, trolleys and buggies. The resort hosts regular private, club and open tournaments. One of the most attractive ones takes place during the International Film Festival Karlovy Vary.
